

For publication, all images and figures should be of high quality. Authors must obtain the appropriate permissions to publish images and figures. A list of captions should be provided.

File size

At 4" x 6", each file should be:

1200 dpi for line art

600 dpi for grayscale

300 dpi for colour

Format:

All images and /or figures must be in one of these formats: EPS, PS, JPEG, TIFF. Microsoft Word (.doc or .docx) files are acceptable only for figures originally drawn in MsWord.

Captions

Please provide a caption list with title of each figure/image. For works of art, please include Title, creator name, date, media, size (if known) and current repository.

When submitted, each image or figure should be labeled in this way:

Figure1_AuthorLastName

Figure2_AuthorLastName

In-Text References

Please indicate in your final text where images and/or figures should be placed: [Insert Figure 1 here]
